

FSP REQUESTS

Flexible Support Packages aim to provide a personalised and holistic response to victim-survivors of family violence. All requests must represent the most cost-effective and appropriate response to support goals and needs identified by the client and case manager. FSP cannot be used to replace or duplicate supports that are readily available through other Local, State, or Commonwealth programs.

Each item requested must be clearly linked to one of the following **outcome areas**:

- A – Safety & Security**
- B – Capabilities to Participate**
- C – Health & Wellbeing**
- D – Connection to Culture & Community**

OUTCOME AREA	WHAT IS THE CLIENT'S GOAL & HOW DOES THE REQUEST SUPPORT IT?	REQUEST	COST (EXCLUDING GST)
EXAMPLE: B	<i>Client has enrolled in accounting certificate and has identified that a laptop would assist her in achieving her goals of studying and ultimately returning to the workforce.</i>	<i>Laptop (model 123456)</i>	<i>\$750</i>
